Utility Diversion Works affecting access to The Base

Work is scheduled to commence in March this year although the exact date has yet to be confirmed. The work will involve some footpath diversions around The Base and the temporary closure of each junction to The Base car park.

The car park will, however, remain open for the duration of the work. The diversion work doesn't involve any planned interruption to power, water, or gas supplies.

We will be in touch again as soon as we have more detailed information but, in the meantime, if you would like to discuss this matter please contact Mitch in the Estates Team:

Security Team

Hopefully by now you have all met our new Site Security Manager, Brendon Ferreira.

The security of our occupiers and the safety of those working at, and visiting, Greenham Business Park is our top priority.

We have a permanent 24/7 security presence and Brendon and the team are working hard to ensure the business park remains a safe and secure place for everyone.

With that in mind, if you witness any anti-social behaviour, please report it to Brendon:

Tel: **01635 31941**
Email: brendon.ferreira@ocs.com

In addition to carrying out a range of patrols on foot and by vehicle, our security staff also monitor our extensive CCTV system and record every vehicle that enters or leaves the park.

Our security staff are also trained and certified first aiders, and maintain a defibrillator at the security lodge for medical emergencies on the park.

COFFEE AND CAKE MORNING | 1st MARCH 2022 | 9AM – 11AM | SUITE 37, LIBERTY HOUSE

“Welcome to LIONIZE media! We are excited to be here! We are the new social media marketing team on Greenham Business Park. We are experts in digital communications, helping you to navigate and make the most of growing your business on and offline.

My name is Rachel, and I am the founder and Managing Director of LIONIZE media. As part of our welcome I'd like to invite you to a coffee and cake morning on the 1st of March so that I can introduce myself properly! And we can all do a bit of relaxed networking!”

“So... you still aren't sure whether it's worth coming to coffee and cake? Free cake is always worth it in our opinion...but here's another reason...”

WHAT DO WE DO?

We are your outsourced marketing department, I partner with you as your Marketing Manager, assisting you to develop your strategy to get the most out of your budget, whether it's increasing your leads, building brand and product awareness or both...

AND THEN, we deliver it with our team of experts; including social media executives, content writers, copywriters, graphic designers, lead generation specialists, web designers, Facebook Ads and Google Ads experts, videographers, podcasters and not to forget our support team.

We save you the hassle of having to re-brief multiple creatives with your marketing strategy OVER and OVER again, and the age old problem – you know the one – where the brief is interpreted differently and you end up with a lot of things that just don't work together.

At LIONIZE media your marketing and our experts are all in ONE place. And if you think having a marketing team at your fingertips sounds expensive, it's not! Prices start from £299 per month.

I hope you can make it; I can't wait to find out more about all of your businesses!

Formerly known as 3T RPD, Prototal UK is a polymer 3D printing company which has been based on Greenham Business Park for over 15 years.

Prototal UK offer polymer 3D printing using a technology called laser sintering. This industrial scale 3D printing process means they can manufacture prototypes or large production runs of components on a variety of Nylon based materials.

Parts can be manufactured in less than one week and even overnight when required - a big win when working with the Formula 1 industry!

Prototal UK are well established in the 3D printing world as one of the largest suppliers in the UK, they have 6 3D printers currently installed with more to follow in 2022.

With their highly skilled team and extensive post processing capabilities, they can produce production-ready components as well as highly detailed prototypes alike.

Working within medical (ISO13485), motorsport, aerospace (AS 9100), automotive and industrial sectors, they are experts in producing quality components for a variety of industries with a range of technical requirements.

In 2022 Greenham Trust marks its 25th anniversary, with the exciting launch of our Youth Appeal. Our aim is to raise a huge £250,000 and Greenham Trust will match this £1 for £1 to create a fund of £500K to support youth projects (for 11-25 year olds) in West Berkshire and north Hampshire.

Covid has hit young people really hard. From less time with friends to not being able to hug a grandparent. Positive social interactions have been severely limited and this specific funding is needed now more than ever.

Our Youth Appeal will enable local charities and voluntary groups like Berkshire Youth, Time to Talk and PALS to name a few to deliver a wide range of projects, such as helping young people into training and employment, mental health, counselling and therapy, anti-bullying and cyber-safety projects, sport and social activities and many more to help young people to fulfil their potential.

What can my company do to support the Greenham Trust Youth Appeal?

- Make our appeal your 'charity campaign for 2022'
- Hold your own fundraising event
- Give a donation
- Come to our 25th Anniversary event Saturday 25th June in Newbury in partnership with The Corn Exchange/101 Outdoor Arts and Newbury BID – volunteer with us or simply come along and support the day!
- Promote greenhamtrust.com/25years

Please help us reach more young people

Donate and fundraise and Greenham Trust will match every £1 with £1 (up to £250,000): <https://app.thegoodexchange.com/project/19081/greenham-trust/25th-anniversary-youth-appeal>

Huge congratulations to one of our 'off-park' tenants, Sonning Flowers, who has just won the coveted best Wedding Florist in the South Central Region at the Wedding Industry Awards 2022. Becoming a regional Award Winner means that Heather and her team are down to the final 8 florists across the country and will now be entered into the National Finals which will be held at the Shakespeare Globe in London.

Sonning Flowers has been trading since 2004, first based in Sonning and now with a flower workshop in the beautiful West Berkshire countryside. They are perfectly located to deliver flowers for any event in Reading and Newbury, across Berkshire, South Oxfordshire, North Hampshire and Surrey.

Their award-winning team has a passion for beautiful, fresh flowers. They deliver their own stunning hand tied bouquets, locally in Reading and Berkshire as well as nationwide across the UK.

For more information please visit: <https://www.sonningflowers.com/>

A few words from the owner, Heather Reilly:

We are absolutely delighted. We just can't believe it! It's the icing on the cake after winning the Best Florist in Berkshire at the Muddy Stilettos Awards for 2021. We couldn't have dreamed of winning another award 6 months later!

"A huge thank you to all our wonderful wedding couples who have voted for us and were asked not only to vote but to give feedback and photos of their wedding flowers and the service that we provided. It's been a whirlwind time for our whole industry and the support we have received has been truly amazing from all of our wedding couples.

I personally also need to say a HUGE thank you to the Sonning Flowers Team. Behind the scenes at Sonning Flowers HQ, I have an incredible team of 7 staff. We've had back-to-back weddings since the restrictions were lifted and my team have worked so incredibly hard in a wedding season like no other. Winning two renowned awards in the last 6 months is the most incredible feeling and a great start to 2022 and the weddings we have ahead of us this year!"
