PROMOTE YOUR BUSINESS TO THOUSANDS OF LOCALS

Earlier this year The Base held their [2nd Festival of the Arts & Crafts](#) which saw several thousands of local people visit Greenham Business Park. They are already putting plans in place for another bumper Festival and are giving businesses based on the Park the first chance to be part of the sponsorship of this *huge* community event.

There are a range of sponsorship levels; from your company logo printed in the Corn Exchange brochure (13k printed each season) and announced to a large email database, to social media advertising campaigns, sponsoring Taster Workshops and having a stall to promote your business.

If you would like to know more, please email Steph Johnson (Gallery Manager) on stephj@cornexchangenew.co.uk
